EXTENDED DAY PROGRAM

The extended day program for the Children's House students is truly an extension of the Montessori morning. There will be time for art, extra reading, work in the garden and special projects. The Elementary/Middle School extended day program is available from 2:50 until 5:30 pm. There will be a homework session, games and other activities, free play and a snack under the direction of extended day teachers. Please return the attached application if you would like to reserve a space in this program.
